

## Four Streams Coaching

### Four Streams Partial Completion Policy:

Your **full payment** of tuition for each program or class guarantees your lifetime access to that individual program or class. If you enroll in a class or program, and are unable to complete the program at the expected time, you may re-enroll in the same class or program in the future without additional enrollment fees. However, at this time, we are not able to offer credit for partial completion of a course. You must complete the entire course to receive credit.
